

Week of collaboration for counter-trafficking

NOW WHAT?

I want to work in anti-trafficking field. Now what?

- ❑ Evaluate the situation and its evolution during the last 2-3 years
- ❑ Find the gaps
- ❑ Find the risks and solutions
- ❑ See who is doing what
- ❑ Create a team
- ❑ Do research
- ❑ Plan the actions
- ❑ Be specific in what you want to achieve in the following 2 - 3 years

*Planning, risks
assessment,
research,
collaboration,
fundraising*

I just started working as an anti-trafficking organization.

Now what?

PREVENTION AND AWARENESS RAISING

- ❑ Know who your target is
- ❑ Choose the message (what do you want people to hear and to do)
- ❑ Provide info
- ❑ Find the optimal sources/channels of information
- ❑ Do research
- ❑ Find / involve partners (NGOs, IOs, GOs)
- ❑ Provide contact

Message, campaign, target, reaction

**I just started working as an anti-trafficking organization.
Now what?**

ASSISTANCE TO VICTIMS OF TRAFFICKING

- ☐ SOS hotline**
- ☐ Multidisciplinary approach (mobile teams)**
- ☐ Drop-in-Center / Shelter**

*Identification, rescue, direct assistance, reflection period,
repatriation, tools, procedures*

I have a trafficking case. Now what?

(let s discuss!)

- ☑ Identify the needs (urgent)
- ☑ Identify the risks
- ☑ Identify the agencies / partners
- ☑ Make a plan
- ☑ Inform your partners
- ☑ Follow-up the case

We discussed it! Now what?

Thank you for your attention!

Budeci Alina
Drop-in-Center Manager
International Center for Women Rights
